Supplemental Reading Assignments

The following guidelines should be used in completing the supplemental reading assignments:

1. DO NOT write on the reading.
2. You do not need to copy the questions.
3. Answer the questions in complete sentences. Use the technique of “Signposting” when crafting your answers. Incorporate the language of the question in your response.
4. DO NOT quote from the reading when answering the questions. Doing so does not illustrate your understanding of the author’s words or meaning.
5. DO NOT use the word I or any other possessive/personal pronoun (e.g. me, you, us, we, our).
6. If you do not understand the questions or have difficulty with the language in the reading, do not be afraid to ask.
